(term time) per year
Option 2 - 22 hours per week over 51 weeks per year

Record Keeping

At Little Learners we follow the Early Years Foundation Stage often referred to as the EYFS. Online Learning Journals are used to observe, track and assess your child's progress in all the areas of learning. This then enables staff to plan the children's next steps to move their learning on to ensure every child reaches their full potential.

Security

The nursery has a state of the art face recognition security system to allow registered parents/carers access to the building. Our robust Safeguarding and Health and Safety Policies are in place to ensure your child feels safe at all times.

Your child's happiness is our paramount concern

This brochure gives you a brief insight into our nursery. Please come and visit us to see our amazing setting for yourself. Our dedicated team of practitioners would love to meet you and your family.

Dear Parent/Carer,

Entrusting your child into the care of others is probably the most difficult decision you will ever have to make. At Little Learners we aim to ensure your child is cared for as you would care for them at home.

My staff and I endeavour to meet your high expectations to the best of our ability with our passion, experience, motherhood and extensive qualifications and training.

Established in 1998 as a purpose built childcare centre, the setting caters for babies from six weeks old and children up to the age of fourteen. Our spacious, modern units and free flow outdoor gardens are designed to offer children exciting learning experiences indoors and out in a clean, stimulating, spacious environment.

The nursery was graded "Outstanding in all areas" on our last Ofsted inspection in November 2016.

Please come and look at our amazing setting and meet our team to see for yourself.

I look forward to meeting you and your family very soon.

kindest regards,

Sarah Laws

Nursery Manager
